EXPERIENCE

2016 - Present

PARKLANDS CHRISTIAN COLLEGE

VISUAL ART TEACHER AIDE

In this role, I have created both digital and printed adverts, as well as curate, photograph and prepare for Art Exhibitions and other art events throughout the year. Working closely with the Yr 7 - 12 visual art cohort, the role allows me to work alongside many differing members of the school community, including the administrative staff, teaching staff, and students.

2018 - 2019

QUT CREATIVE INDUSTRIES WITH DEEPBLUE ORCHESTRA

INTERACTIVE AND CONCEPTUAL DESIGNER

In partnership with DeepBlue Orchestra, Interactive and Visual Design students were able to pitch potential interactive works to be featured in the 2019 production: 'Our Place.'

Our conceptual design idea, an interactive wearable device, was chosen for Tjuppuru to wear in the final production. Throughout the project, I worked alongside my team in creating prototypes and numerous design iterations to ensure the end product was made to the best of our ability.
